OWN COOKING GROUPS

Thank you for choosing the Community of the Great Commission for your upcoming event!

In order to better accommodate your needs, we have devised a helpful outline for groups that do their own cooking at our facility in the Bobbitt kitchen.

1. The Site provides a refrigerator/freezer unit.
2. The Site provides a cooktop and oven.
3. The Site provides the 3-sink method of dishwashing (a hand-washing method).
4. The Site provides kitchen inventory.

Dishwashing instructions and supplies for you to wash your own dishes and pots, pans, and appliances after each use will be provided.

Our Kitchen Supply Inventory is on page 2 of this letter. Depending on your cooking needs, you may want to supplement our inventory with your own items.

Basic hand dishwashing supplies are provided for your use and are also listed on the inventory.

Again, we are excited that you have chosen the Community of the Great Commission for your upcoming event. We look forward to hosting you! If you have any questions, please contact the Site Director at 530-367-2370.

Own Cooking Kitchen Supply Inventory
