A member of United Camps, Conferences, & Retreats

Greetings!

Thank you for your interest in the Ralston White Memorial Retreat in Mill Valley, California. We're located on 45 wooded acres on the southeastern slope of Mt. Tamalpais in Marin County. Only 20 minutes from the Golden Gate Bridge, our retreat center offers ready access to nearby San Francisco and the Bay Area and a strikingly serene setting for non-profit group programs of 15-45 adults.

For groups traveling from greater distances, both San Francisco International and Oakland International airports are about an hour's drive and both airports are accessible by door-to-door shuttle service.

The Ralston L. White Retreat is a location where your group can focus. There are three spacious meeting rooms throughout the historic building where groups can meet. An overhead projector, screen, and TV/DVD/VCR are all provided. The meeting space can be configured informally or theater style depending on the needs of the group. In addition, there is also wireless internet for your access.

At mealtimes, generous, healthful and appealing meals are served in our elegant Victorian dining room. With advance notice we are able to accommodate special diets. A continuous coffee, tea and beverage service is served and snacks are provided as a part of the hospitality. We like to think of ourselves as a small retreat center with a large heart, and hope you will also.

At break time, groups can take a short stroll around the heart shaped lawn, or relax on one of the covered verandas in conversation with others. For longer pauses there are trails originating on the property that wind to the top of Mt. Tamalpais. We also have a volleyball court, ping pong and basketball.

Our goal is to provide your program with the support it needs for success. If you would like more information regarding rates and availability, please contact our reservations staff at 1-888-388-0858. To arrange a tour of our lovely retreat, please call me at 415-388-0858. The retreat staff and I look forward to your program.

Sincerely,

Mike White
